

709 Karna-Klean

DESCRIPTION:

709 Karna-Klean is a biodegradable, petroleum free and chlorinated solvent free cleaner/degreaser with all natural ingredients. The base ingredient in this highly concentrated formulation is a natural solvent obtained from orange peel and pulp, giving 709 Karna-Klean a pleasant scent of fresh oranges. 709 Karna-Klean is an extremely versatile cleaner/degreaser capable of removing the toughest grease, grime, dirt, tar, lubricants, ink, paint, adhesives, and asphalt and oil residues. 709 Karna-Klean may be used to clean fiberglass, machinery, tools, ceramic tile, concrete, all metal and much more. Using 709 Karna-Klean can reduce your costs especially if you are presently using products containing petroleum distillates, alcohol or other hazardous materials. 709 Karna-Klean is water risible and affords you the opportunity to utilize one product to clean and degrease your entire facility effectively.

APPLICATION:

Spray onto affected area full strength and allow to penetrate a few minutes. Hose off completely with strong stream of water. May also be diluted for light duty cleaning. See dilution instructions on bottle.

PHYSICAL PROPERTIES:

Color:	Orange
pH (Conc.):	12.0 – 12.5
Solvent Type:	D-Limonene

USES:

Dissolves and removes asphalt, tar, grease, grime, and asphalt emulsions. **Cleans asphalt and tar from brick, cement, stucco, concrete, metal and all types of roofing equipment.** Also cleans and removes ink, adhesives, oil residues and most paints, graphite, dirt and scale.

Note: 709 Karna-Klean is a solvent. As a result, some staining may occur. Pretest on all plastic or other questionable surfaces prior to use.

709 Karna-Klean

CAUTION:

Do not use near open flame. Avoid breathing solvent fumes and prolonged contact with skin. Do not take internally, may be harmful if swallowed. If swallowed, **do not** induce vomiting. Call a physician immediately. Do not eat, drink or smoke when using this product. Keep out of reach of children. Keep container covered when not in use. Dispose of in an environmentally safe manner.

EYE IRRITANT. Causes serious eye damage. MAY CAUSE SKIN IRRITATION WITH PROLONGED CONTACT. Avoid contact with skin, eyes and clothing. Wear protective gloves, protective clothing, eye protection and face protection when using this product. Avoid breathing of vapors or mists. Do not take internally.

KEEP OUT OF REACH OF CHILDREN. For Professional Use Only.

FLAMABLE LIQUID & VAPOR: Keep away from heat, spark, open flames or other sources of ignition. Do not smoke. Store in a well ventilated space. Use only with adequate ventilation. Use only with non-sparking tools. Keep container closed and upright to prevent leakage. Store in original container. Avoid release to the environment. Close nozzle after each use. In case of spillage, absorb and dispose of in accordance with local applicable regulations. Avoid runoff into storm sewers and ditches which lead to waterways.

FIRST AID:

EYE CONTACT: Flush cautiously with water for several minutes. Remove contact lenses if present and able to do so. Continue rinsing. Call Poison Control Center, doctor or physician.

SKIN CONTACT: Wash thoroughly with soap and water. If skin irritation persists, call a physician.

INGESTION: Immediately call Poison Control Center, doctor or physician.

INHALATION: Remove to fresh air. Call Poison Control Center or a doctor/physician if you feel unwell.

PACKAGING:

Available in 1 Liter bottles (33.8 oz.) - 12 bottles per case
